Course	College/University	Year	CGPA/%
B.E - CSE	V.S.B Engineering College	2023-27	7.36
Intermediate/+2	Sun Star Higher Secondary School	2023	84

SUMMARY

- Motivated and detail-oriented Software Engineering student with a strong foundation in programming, problem-solving, and system design. Experienced in developing real-world projects including web applications and blockchain systems. Proficient in modern technologies and frameworks with a passion for building scalable and secure solutions. Eager to apply technical skills and continuously learn in a dynamic development environment.

SKILLS & INTERESTS

- **Programming Languages:** Java, Solidity ,JavaScript, HTML, CSS.
- **Tools & Libraries:** Spring Boot, Hardhat, React.js, Ether.js, Web3.js.
- **Interests:** Blockchain , Software Development.
- **Tools:** Git, Linux(Debian, Arch), Supabase, MySQL.

PROJECTS

- **AGROW AI**
 - Developed an AI-powered smart agriculture assistant integrating Weather API and Supabase for real-time farming insights.
 - Implemented intelligent recommendation features to support sustainable and data-driven agricultural decisions.
- **InsureAI**
 - Built a full-stack insurance management platform enabling users to book and manage appointments with insurance agents.
 - Designed an admin dashboard for managing users, agents, appointments, and insurance plans efficiently.
- **Vector Project**
 - Developed an AI-powered vector database and RAG-based system for semantic search and intelligent document retrieval.
 - Integrated modern AI technologies to enhance data indexing, retrieval accuracy, and contextual response generation.

INTERNSHIPS

- **Virtual Internship 6.0, Infosys**,Java Full Stack Development [Feb 2026]
- Developed an AI-powered web application to automate corporate insurance policy management and customer interactions.
- Implemented features like user authentication, agent availability tracking, appointment scheduling, and real-time notifications.

DECLARATION

- I hereby declare that all the details mentioned above are accurate and true to the best of my knowledge and belief. I take full responsibility for the correctness of the information.
